How Catarrh is Contracted

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucous membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere. Adv.

Wayside Gleanings

September was a warm, dry month.
Mr. and Mrs. Dora Woody were Mansfield visitors Tuesday.
Miss Edith Doyle spent Tuesday night with Miss Lolella Christy.
The first frost of the season here was Sept. 29.
